A Guide for Our Community

*We create community...
through people, parks and programs*

Come Make a Splash with Us!

SPLASH... Quick, say that five times real fast. Splash-Splash-Splash-Splash-Splash. Wow, that was a workout. Now find five new ways of pronouncing it. Nothing come to mind? Well, in this issue of Recreation-A Guide for Our Community there are hundreds of ideas for you, your family and friends to “Come, Make a Splash with Us!”

If you are new to Mountain View Recreation, we encourage you to start small. Just choose a few things, that if you did them over and over, it would make a huge difference for you and the community. Sometimes folks use an excuse, or what appears to be a valid reason, or create a great explanation about why we can’t do something. Consider swimming. We all know it is a great aerobic, low impact activity recommended by doctors to help us loose excess weight and improve flexibility. BUT, we say, I’d be too embarrassed to get into a bathing suit, and the water is probably cold, and the class might be full, Splash, Splash, Splash.

Here are a few suggestions by our friendly staff who know recreation. Try suits that fit well and have a splash of color or flair. Bring a friend or family member and sign up together. Cut out

Enjoy Stevens Creek Trail in Mountain View

Like to hike? Bicycle? Jog? Rollerblade? Take a leisurely stroll, away from traffic? You can do it all on Stevens Creek Trail, Mountain View’s hidden treasure!

On the Bay side of Highway 101 see tidal marshlands with great opportunities to spot storks, cranes, sandpipers, and pelicans. Upstream from 101 explore a tree-shaded path and natural riparian habitat with ducks, wrens, and maybe a Black Phoebe.

Stevens Creek is one of the few remaining natural streams in Santa Clara County.

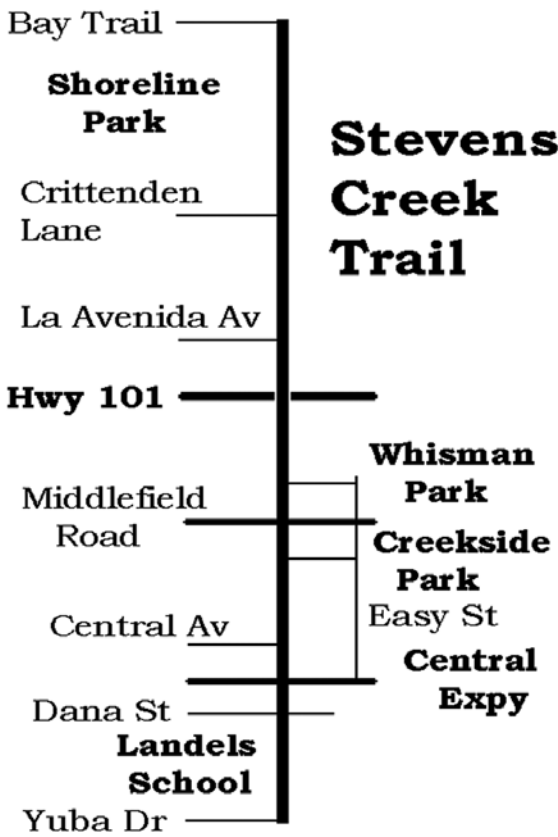

The trail, a hard-surfaced, well-maintained pathway, runs along it from Shoreline Park to a transitional ending near El Camino Real, about four miles. A further Mountain View extension has already been approved. Free parking is available at main access points.

Special Events in 2006

Mark your calendars for the 12th annual Trailblazer Race on Sunday, September 24.

We also need volunteers for our annual clean-up day on Saturday, April 22.

Presented by Friends of Stevens Creek Trail, a 501(c)3 nonprofit organization. Virtual Tour, maps, & info at www.stevenscreektrail.org or call (650) 903-6067.

Friends of the Mountain View Public Library

Since their founding in the early 1970s, the Friends of the Library have provided funds for Library programs and equipment that were not included in the City’s Library Budget. Theses funds have been raised by selling books, donated by the public, in the Friend’s Lobby Shop and at book sales held periodically during the year.

The Friends have raised over \$200,000 during that period allowing the Library to fund everything from the Children’s Summer Reading Program to the 37 clocks needed for the new Library.

Upon completion of the new Library in 1997, the Friends were given space near the entrance for the Lobby Shop. In addition to selling the donated books the shop is stocked with gift items and supplies. This has been a very worthwhile venture for the Friends and the Library.

In early 2005, the Friends Board started researching and testing a Books For Sale website. The idea proved that it could be a financial success by overwhelming the few volunteers doing the work. It will become a permanent addition to the current Friends fund raising programs as soon as a full staff of volunteers is in place.

The only drawback is that all of the operations need volunteers in every area. For more information about volunteering, please contact Donna Lowes, (650) 969-0842 or email: DLMaBear@aol.com.

Need Fresh Air?
Visit a Midpeninsula Regional Open Space Preserve

Rancho San Antonio is the Midpeninsula Regional Open Space District’s most popular open space preserve, which surrounds Deer Hollow Farm. Did you know the District manages more than 50,000 acres and 25 open space preserves in the Peninsula area? Just a short drive from many urban cities, the District’s open space lands, which are open 365 days a year to the public free of charge, offer a respite from everyday life, an oasis of nature and fresh air and an opportunity to experience and learn about the diverse natural communities that contribute to our quality of life in the Bay Area.

The District’s purpose is to purchase and preserve a regional open space greenbelt, protect and restore the natural environment, and provide opportunities for ecologically sensitive public enjoyment and education.

The District offers 220 miles of trails for a variety of uses. If you’re looking for ideas or activities to explore in open space, look in our trail guidebook Peninsula Tales & Trails. The book is available for \$19.95 through selected book stores, traditional Internet retail sites, and at the District office. For more information, call (650) 691-1200 or visit our Web site www.openspace.org.

Painting the Way to a Successful Future

Did you know that you could help your child build the necessary skills for school readiness and life success before they even step into a classroom? Studies show that a child given affection, a safe and healthy environment to explore, and positive role models will learn essential skills for a healthy lifestyle. The following list provides easy and helpful tips to help foster those skills within your child.

Here are a few simple ways to Paint the Success:

- Participate in one-on-one time with your child, such as reading, singing, talking, dancing, and laughing.
- Provide them with structured alone time as well as scheduled playtime with other children.
- Give your child the opportunity to explore and create art and cooking projects.
- Provide your child with manipulative toys such as puzzles or blocks to play with.
- Give your child time to play outdoors to explore and experience first hand running, jumping and creative movement.
- Provide them regular routines and activities.
- Let them know what they can do versus what they cannot. For example, instead of saying, “Don’t run in the house”, you could say “Use your walking feet.”
- Provide them with positive role models.
- Enroll them in structured fun activities such as those activities offered by the City of Mountain View.
- And most important, remember each child learns and grows at their own pace.

the pool schedule from the AQUATICS section and put in on your refrigerator door. Sign up children for water safety instruction, swimming skills last a lifetime. You are now ready to make a heroic SPLASH in Eagle or Rengstorff pools and on your way to improving both mind and body.

Think you’re not into water? Try, splashing some water on a thirsty tree on Arbor Day. Or have a “splash back” to the seventies at the Annual

Spring Parade when Disco Days are Here Again. Or, try a “splash” of new color on a painting, or quilt in one of the many classes offered. Or, make a splash on the dance floor, by learning salsa. Or, sign up your kids for a “splash-ingly” great summer camp. Or just look for the “splash pad activities” such as the crossword puzzle, found on page 12. We hope you will join Mountain View to re-create this summer and COME MAKE A SPLASH WITH US!

American Red Cross–Together, we can save a life

American Red Cross Palo Alto Area Chapter, serving Mountain View, Palo Alto, Los Altos, Los Altos Hills, Stanford and Moffett Field

The Mission: The American Red Cross, a humanitarian organization led by volunteers, guided by its Congressional Charter and the Fundamental Principles of the International Red Cross Movement, will provide relief to victims of disasters and help people prevent, prepare for, and respond to emergencies.

Throughout the many activities conducted by the Palo Alto Area Chapter, American Red Cross, one common theme dominates: Whether it be an emergency preparedness faire at a local church, a Safe Ride provided to a high school student, a Disaster Action Team response to a house fire, a Safe Kids training for

a kindergarten class, or a first aid station at a Stanford University sports competition, most of these events involve an enduring partnership. The Palo Alto Area Chapter has for the past several years actively pursued relationships with community groups, local government agencies, churches, schools, and corporations in order to reach the broadest possible audience with preparedness information and health and safety training. This initiative, which we call Partners in Preparedness has established or deepened Chapter relationships that help make local residents safer and more capable of caring for themselves and others following an emergency or major disaster Contact us at: Palo Alto Area Chapter 400 Mitchell Lane, Palo Alto, CA 94301 (650) 688-0415 www.paarc.org.
